***Celebrate With Gratitude and LIGHT-Filled Joy !***

The air is crisp and clear in the mornings, *even if it is raining.* The nights...pristine and precise! The dreamtime becomes a new adventure in alternative creativity, as worlds within worlds merge. Experience Heaven and Earth coming together as ONE.

Hence our gratitude for the year that has disappeared! A year that opened portals of outrageous potential and growth, loving transformation and gentle compassionate awareness. A year that challenged us to climb higher, stretched us to dig deeper within, to find our own loving integrity. And with the guidance of that ‘personal ancient wise one’ within us, we unveiled a NEW energetic template for all the world to feel.

Ah, such BLESSINGS brought in 2007, as it graciously retires to make room for BRILLIANT new numbers to light up our pathway. Now, 2008, overflows as usual, with familiar expectations and dreams and possibilities to be discovered. Yet, something is different ...VERY DIFFERENT!

This year, people are ready to step up and BE part of the 2008 team. A Universal Team of Amazing Uncon-

ditional Love, *ready willing and able,* BEing a pillar of Light. Gently-proud, to have chosen to be alive on planet earth in these very special times. This year will be a year of miracle making alright, because the ‘new numbers’ are in, and enough people have finally shouted YES! “Light the Lights and Count ME In!”

Hence THE DIFFERENCE... previously people would ‘wait and see’ what good the new year might bring to them. This time so many people KNOW in fact, they ARE the New Year. They feel the loving power and control of being part of a paradigm shift in consciousness. A shift that is confidently, fearless because personal integrity lights the way. We welcome back an old-time formula for LOVING Transformation.

**Today, whatever the date,** more individuals recognize the gift they have to give to the whole, as one by one, they rise up to be counted as PRESENT in the NOW. What a Beginning...What a Time... **What a Celebration!** G\☆
