Healing Happy Heads

and The Power of the Spheres

Grandfather Dragonfly and
The Archangelic-BlueONE
announce their willingness to further
assist you in accelerating your personal
transformation through the loving
guidance of the mineral kingdom.

The current quiet time sitting with the pipes on the
12th and 21st of each month
will continue from 7:30 - 9:30

with a new opportunity for the summer months.
Specially Selected 'Stone & Crystal Heads' from our
permanent collection will be present, so you may
experience the healing properties each one brings.

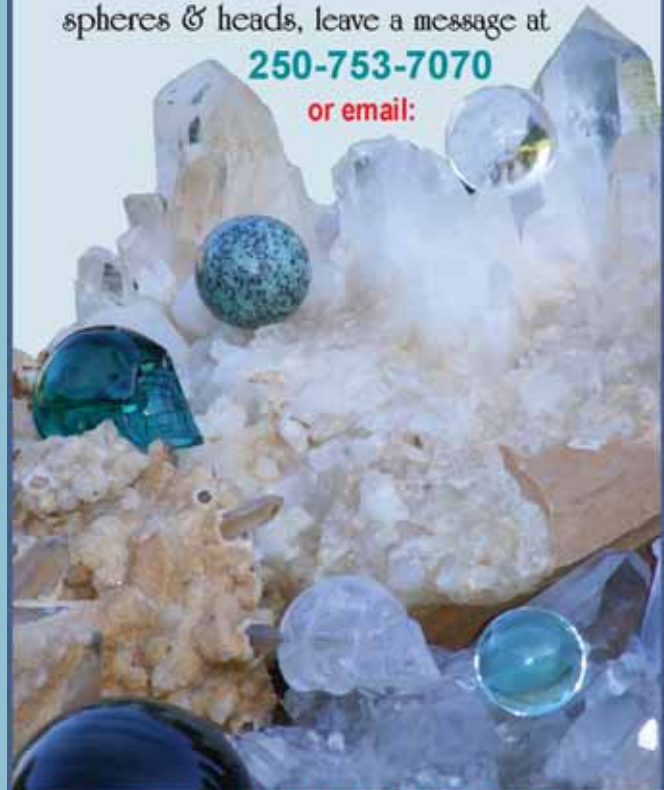

In addition, we have acquired a new
assortment of 2"-3" Happy Heads 'energetically
hand picked' that are looking for new guardians.

You are welcome to arrive between 5 and 7:30pm
to discover these new treasures.

To arrange alternate times to purchase
spheres & heads, leave a message at

250-753-7070

or email:
