## Peace and Forgiveness For All

As you further well know, nothing can stop an idea 'when its time' has come! Ditto - for our "Peace and Forgiveness of All" day. Nov. 11, 2009

Note.... The below "Call to Action" was posted to many thousands of Lightworkers in my Aug. 3, 2009 'Michael Worldwide Newsletter'.

### CALL TO ACTION

As our Archangels and Ascended Masters of Earth have revealed, the vibratory frequency of Gaia, our living Earth planet, and all life on Earth has now reached a required high 'end times' pitch and **THUS NOW** a 'collective human INTENT' immediately **AND IMMENSELY** calls 'quantum physics' into play! Miracles, instant manifestations, instant healings, and seemingly magical collapses of time, space and motion will become more and more humanly common, public and self evident.

For those of us who are awake, ready and willing, our individual and mass physical body and Being Ascension--without experiencing physical body death--is assured!

Remember, if it is just you and me alone, As Jesus the Christ Consciousness Master we know and love dearly said--"when two or more are gathered together in My Name"-- we have His promise of us then creating an immense power of manifestation. So let's you and I begin! Let us begin

NOW--let's set the date of Nov, 11, 2009 as the first agreed 'collective' conscious human INTENT of a "Peace and Forgiveness of All" day to be established. Let those beloved others who join us - who the ever present Law of Attraction 'calls to action' - respond in their own right and in their own chosen time. So be it!

If you and I send this message to our email lists, and we ask others to do the same, and we talk to our loved ones and friends, asking them to do the same - spreading 'the word' - that this vitally important "Peace and Forgiveness of All" day 'movement' will have now effectively begun. And... so it is!

Perhaps other already stable and respected existing Lightworker websites will 'host' and spread this movement worldwide via the Internet - in a flash. Are you with me on this? Let's do it. Let's have fun, companionship, forgiveness of all...and peace on Earth! **It's about time!** All is well. Bless us all. We are One. Be at peace, now.

I am Russ Michael. Age-Reversal@aon. at [www.soulmatebooks.com](http://www.soulmatebooks.com)

\*\*\*\*\* We don't know Russ personally, but as you know we've orchestrated a Peace Event during the Nov 11th days for over a decade, so we were 'IN' before he even asked. Oh Happy Day! See the back cover for our Vancouver Island Peace Event if you would like to join us.

Dear EAGLEyeONE, Greetings, Beloved, beautiful, very 'spiritually awakened' ones! Please SET your calendar for Nov. 11, 2009 - as our collective Earthwide "Peace and Forgiveness of All" day.

Nothing happens by accident... and all things on Earth always work for the 'good of all'. I hope you will be with us and support our collective human consciousness by posting my Call to Action notice and notify readers of our - Nov. 11, 2009 - "Peace and Forgiveness of All" day.

As you may know, I was inspired to introduce the concept and the word "soulmate" to mass human consciousness on Earth in 1971 with my first book on soulmates, "Finding Your Soulmate" - (still selling in 12 languages 38 years later) a word unknown to the masses then, but after more than 500 Radio and TV talk show appearances - over a period of 10 years - the word 'soulmate' is now dearly embedded in the hearts and on the lips of almost everyone abiding on Earth--in all languages!
