

### The Flower of Life/with The Tree of Life

You told us how much fun you had colouring The Flower of Life in the last issue, so we decided to show/add The Tree of Life pattern within and let you experiment again. We thought we'd also make this a colouring contest, so if you want to send us your completed masterpiece(s) by March 11th you may be in for some great prizes such as sceptre crystals, other stones, books, etc. Some of the categories are: quickest one handed in, the oldest and youngest artist, the one with the most submissions, and so on. So go ahead and colour away to your heart's content. Check page 1 for our mailing address and go to [www.EAGLEyeONE.com](http://www.EAGLEyeONE.com) for a pdf so you can print extra copies.

So...Let's COLOUR it a Contest !
