

I Believe

There comes a moment
when my heart must stand alone
On this lonely path I've chosen...
Like a house that's not a home

Sometimes when I feel I've had enough
And I feel like giving up
You willed me to be all I can be
Now nothing can stop me

**I believe in the power that comes
From a world brought together as one**

I believe together we'll fly.
I believe in the power of you and I

This is the moment
we have dreamed of all our lives
We'll be the change we wish from others
We'll stand tall for what is right

**And in my heart there'll be no doubt
The arms of the world will come reaching out**

And embrace me to be all I can be
Now nothing can stop me

I believe in the power that comes,
From a world brought together as one

I believe together we'll fly

I believe in the power of you and I

FrequenSea™

This amazing ionic whole-food tonic includes marine phytoplankton, a food source with a nutritional analysis that is second to none. Marine phytoplankton contain more than 200 sea vegetables, are a major oxygen source for the Earth, and have 400 times the energy of any known plant. Experts call FrequenSea a superfood as it includes all the elements necessary to sustain a healthy life. With added rose, astaxanthin, ginger, aloe vera and frankincense, it is a blend of the best land and sea have to offer.

*we just
love it!*
