

**PEACE IS ALIVE
and Well on Planet Earth...**

It is ALIVE in the hearts of those who “choose”
to rise UP for the good of all...

It is ALIVE in the minds of the Dreamweavers
as they create new tapestries of involvement...
It is ALIVE in the eyes of small children playing,
and in the hands of the ones who hold them...

Peace is pulsing in the air all around
when every breath is a breath of Light,
every breath a breath of gentle Love

Peace rises up on this day -
for those who say YES...
claiming new territory within your body-of-light...
Cradling you in the wings of Love,
RADIANT - stupendous...

Peace is alive and well in the hearts and souls
of those with eyes ready to see,
with voices inspired to speak,
with lights bright enough to show the new way...

The stars have spoken!
Savour this moment now
as PEACE expands beyond logic
and recalibrates itself into the ordinary,
into the ‘something special’ into the Divine...
It’s here - it’s there - it’s everywhere
and so are the Peace Keepers,
the Guardians of the new Gateways
of Transformation...

Welcome to a new world within,
see with ‘pristine wonderment’
and savour each moment as it rises up
to meet you - then perhaps in an act of generosity
share the good that greets you
with the others all around.

And so indeed
**Peace will overtake the world
moment by invisible moment...
Heart by Gentle Heart.**

My Life is a Reflection of ALL I Say and DO!

**Good Things Happen
EVERYDAY**

Sometimes we are sure they are the
result of Angelic intervention.

Other times we may observe
we don’t feel any wings...but
we do sense the presence
of workboots nearby.

That’s right! Angels often
have a habit of showing up
looking like ordinary people!

Seen an Angel lately?

Do you have a story
to share with the world?
Does it reflect a real down-to-earth
angelic experience?

Angels in Workboots
is a place to share stories
of people (or animals)
doing extraordinary things,
from the simple to the sublime.

Register your name now
to sign up to share your stories
and you’ll be

the first
to know
when the
page launches
late November.
