

A Messenger's MesSAGE

"In ancient times a SAGE was a messenger, delivering profound truths to an individual or a collective" ...

Here is your MesSAGE for this issue ...

Read your own birth month and feel free - in the spirit of ONEness- to benefit from other months as well.

Believe In Yourself and You'll See Who You Are!

January: Shifts have occurred carrying you forth to a new chapter in your life; honour this process; enjoy what's to come!

February: You have proven that you have more inner strength and power than you ever thought possible. This is a glimpse; be excited for what will show up!

March: You have been 'lifted' into a vibration of great support and synchronistic alignments. Enjoy this sustained energy that brings magic!

April: The flow of life is taking you to a settled & familiar alignment that is magically writing your future. Expect miracles and heartfelt desires to appear effortlessly!

May: Illusions of a 3D world are dissolving, revealing a 'knowing' that much of life's experiences are much different than they appear. Surrender, relax and be grateful!

June: Changes in your world reveal your ability to have radical trust. This is your key; your destiny is unfolding in perfect divine timing!

July: The power of love and good will allow freedom. Feel this within as your heart aligns to your soul. This depth will bring forth great joy!

August: Expansion is the key for you; shed thoughts of containment, releasing limitations. Open fully to receive abundance!

September: Gentle surrender enables you to be still in order to connect with energies for your future. This frees you to 'birth' newness on every level; experience lightness!

October: You have reached a plateau where you will receive recognition for what you believe in. Your stars are aligned to honour this; rejoice and enjoy!

November: You have proved your strength and this has allowed you to connect deeper with your soul. This experience activates flow; expect wondrous surprises!

December: Shifts occurring in this world bring magical outcomes when one connects with that vibration. Align to magic; expect miracles and great changes to appear!
